

BAIOSPHERE MEDICAL 2026

Closing Remarks

Siming Bayer • Andreas Maier

Friedrich-Alexander-Universität Erlangen-Nürnberg

9 June 2026 • Erlangen, Germany

Thank You to Our Keynote Speakers

For setting the frame of this meeting

- **Alejandro F. Frangi** – Digital twins for in-silico trials.
- **Mengyun Qiao** – Generative and agentic cardiac modelling.
- **Nils D. Forkert** – Biases in medical-imaging machine learning, and their sociotechnical impact.
- **Lyu Su** – A real-world platform for AI-assisted diagnosis of neuropsychiatric disease.

Thank You to Our Team

Colleagues, reviewers and student helpers

- **Organising team:** Maryam Mirzaei, Greta Giese, Sven Grünke.
- **Editors and co-chairs:** Siming Bayer, Tri-Thien Nguyen, Sheethal Bhat, Andreas Maier.
- **Program committee and reviewers** – 34 reviewers, 218 careful assessments.
- **Award committee:** Dorit Merhof (chair), Tatyana Ivanovska, Han Wenzheng.
- **Our student helpers** – registration, microphones, posters, signs, coffee. Thank you for keeping the day running.

Thank You!

To all of you • speakers, authors, participants.

Conference dinner: bus transfer at **18:15** – please be on time.

Have a wonderful evening at Entla's Keller.
